2019 Saint Paul City DFL Convention Rules

Governing Authority and Agenda

1. Upon all matters not governed by the Official Call, State DFL Party Constitution & Bylaws, St. Paul City Party's Constitution & Bylaws, and these rules, Robert's Rules of Order—most recently revised shall govern.
2. A majority vote of the Convention is required to adopt these rules and the agenda. Once adopted, these rules and the agenda shall govern unless suspended or modified by a two-thirds vote of the Convention.
3. The quorum for conducting any business of the Convention is a majority of the registered delegates (including upgraded alternates).

Seating of Delegates and Alternates

4. Registration shall remain open until adjournment of the Convention.
5. Each ward delegation shall elect two or more delegation chairs, with gender balance for purposes of alternate seating, roll calls and ballot voting. The Convention Chair shall instruct the Convention as to the duties each delegation chair will be expected to perform during the Convention. The name of each delegation chair shall be reported promptly to the Convention Chair.

6. The seating of delegates and alternates shall be governed by the following:
 - a. All registered delegates (not alternates) on the temporary roll shall be seated.
 - b. The Convention shall hear and resolve any challenges regarding delegate or alternate seating pursuant to the Official Call.
 - c. Any delegates or upgraded alternates entitled to be seated after all challenges have been resolved shall go to the registration table with their delegation chair so that proper seating can be arranged. As soon as practicable after verification of a quorum, the registration stall shall function inside the convention hall so as to permit its members to maintain a consistent and accurate delegate count by wards while participating as convention delegates.
 - d. Alternates elected at large shall be upgraded to delegate status according to their numerical ranking on the ward report. Alternates elected through subcaucus voting systems will be upgraded to delegate status in the order reported within their subcaucus. If there are no alternates available within a subcaucus, alternates will be raised by lot from among the highest ranking alternates within the other subcaucuses. Each subcaucus will be represented in the lot system in proportion to its delegate allocation strength.
 - e. The registration staff shall issue identification badges to delegates, alternates and visitors during the registration process. Badges issued to each group shall be of a different color.
 - f. A temporary delegate badge shall be issued to an appropriate alternate when the alternate is raised to delegate status. There shall be no upgrading of alternates during any voting process. If the raised alternate is subsequently returned to alternate status, the alternate's delegate badge shall be immediately surrendered to the registration table.
 - g. Non-upgraded alternates and visitors shall be seated separately from delegates and shall not be allowed on the convention floor during the Convention.
7. Upon application to the Credentials Committee chair, each candidate for endorsement for school board shall be allotted three floor passes for the use of his or her representatives. The candidates' representatives using said floor passes must leave the convention floor at the time ballots are distributed. Floor passes issued for each race shall be returned to the Credentials Committee chair when the candidate is no longer eligible for endorsement.

General Convention Rules

8. The Convention Chairs shall appoint a Convention secretary, timekeepers, judges, clerks, tellers, sergeants-at-arms, parliamentarians, pages and other assistants as they deem necessary to conduct convention business.
9. All persons shall comply with rules established by the Convention venue & Arrangements Committee.
10. No stickers will be allowed anywhere in the Convention venue.
11. Campaign literature may not be distributed in the Convention hall during balloting. No moving demonstrations are permitted during balloting. There shall be no disruptive demonstrations in the galleries. Whistles, air horns, bull horns and strobe lights, or other similar devices will not be allowed during the Convention in the Convention hall.
12. Convention tellers shall distribute ballots to the ward delegation chairs. Ward delegation chairs shall distribute and collect ballots to and from delegates and upgraded alternates. The collected ballots shall be returned, by the ward delegation chairs, to the chair of the tellers. All ballots to be eligible to be counted must have a signature of the delegate or upgraded alternate as required by the Democratic National Committee.
13. Incumbent DFL office holders and chairs of the State, 4th Congressional District, and Saint Paul DFL may address the Convention at the discretion of the Convention Chair. Such visitors shall limit their remarks to not more than two minutes and shall not endorse candidates under consideration for endorsement.
14. All voting shall be by delegates and upgraded alternates who are sitting in the location designation for their ward. Automatic Delegates will be seated and will vote with their ward.

15. No ballot shall be distributed until at least five minutes after appropriate notice that the floor shall be frozen and delegates shall return to the floor has been given.
16. The phrase “sixty percent affirmative vote” means that to be endorsed, a candidate must receive sixty percent of the votes cast on that ballot excluding blank ballots and abstentions. Ballots marked “No endorsement” shall be counted for purposes of determining the sixty percent necessary for endorsement. Uncounted ballots shall include blank ballots, ballots marked as abstaining, ballots marked with the name of a dropped candidate or withdrawn candidate, and unintelligible or spoiled ballots. A spoiled ballot is defined as containing too many names in a multiple endorsement race. An uncast ballot is defined as a ballot with no writing on either side. All ballots cast shall count toward a test of quorum.

Election of Party Officers

17. For each Party office, the Convention Chair shall call for nominations by name only. After the candidates have been nominated, the Chair shall determine speaking order by lot. Each candidate for Party office will have one minute to address the Convention. Party Officers shall be elected by simple majority. If none of the nominees for an office receives a majority vote on a ballot, the nominee with the fewest votes will be dropped on the next ballot, provided that at least two candidates remain on that ballot.
18. If a contest exists, all elections shall be done by written ballot. In the event of a tie vote, there will be a run-off ballot including only the names of the tied candidates. If a tie still exists, it will be broken by lot. All other voting shall be by voice vote or standing division unless a written ballot vote is requested by the Convention Chair or by one-third of the delegates present.

Speech and Debate Rules

19. No delegate may speak until recognized by the Convention Chair. Speakers will first state their name and ward. No person may speak more than once on an item of business until all others on that side who wish to do so have had an opportunity.
20. Unless otherwise provided for in these rules, no delegate shall speak for more than one minute on any item. The Convention Chair will rotate speaking privileges among floor microphones and between proponents and opponents of a measure to the extent possible. Debate will terminate when three speakers have been heard on each side.
21. With respect to credentials challenges to delegations, prior to floor debate, speakers on behalf of both the challenged delegation and the challenging delegation shall each be allowed two minutes in total to present their positions, with the challenged delegation speaking last.
22. Any amendment to a motion or report that removes, changes or adds five or more words must be submitted in writing to the Convention Chair before being considered.

Endorsement Rules

23. General Endorsement Rules:
 - a. The Convention shall endorse no more than four candidates.
 - b. The Convention Chair shall first call for nominations from the floor for endorsement. Nominations shall be by name only. After the candidates have been named, the chair shall determine an order for speaking time by lot.
 - c. No time shall be given to individuals who are not seeking DFL endorsement.

Endorsement Ballot for School Board

24. Each candidate nominated for endorsement for election to the Board of Education shall be allotted five minutes for a nominating speech, seconding speeches, floor demonstrations, and addressing the Convention.
25. There will be a question and answer period after candidate presentations as follows:

- a. The first question shall be “Will you suspend your campaign if four people other than you are endorsed by this convention? Yes or No answer only.”
 - b. All other questions must be submitted in writing before the completion of candidate presentations.
 - c. All questions must be legible, general in nature, addressed to all candidates, cover a single topic, and not in the nature of a personal attack.
 - d. The Convention Chair or designee shall screen all questions and select those that shall be asked.
 - e. The Convention Chair shall ask the candidates each question in turn, but shall not read any preliminary remarks, statements or explanations included with the question.
 - f. The order of response for the first question will be established by lot and will rotate for each subsequent question.
 - g. Each candidate shall be allowed one (1) minute to answer each question.
 - h. The Question period will last for thirty (30) minutes or until all questions are asked but shall be extended to allow all candidates to answer the final question.
26. Candidates receiving less than a ten percent affirmative vote will be dropped after the second ballot. After each subsequent ballot, the drop-off percentage will be raised by five percent. In addition, the candidate receiving the fewest votes on the 3rd and each subsequent ballot will be dropped regardless of the percentage received. However, in no case will this drop rule be used to reduce the number of candidates for School Board remaining on the next ballot to no fewer than one more than the number of endorsements available for contest.
27. A motion to adjourn without endorsement of 4 School Board candidates shall require a 2/3 vote.

Sign Displays

28. Only signs for candidates seeking DFL endorsement for School Board may be displayed at the Convention. Signs eligible for display are limited to those three feet by six feet or smaller. Campaigns for School Board are allowed to display five signs inside and five signs outside the building, not counting signs posted to identify a campaign table or campaign room.
29. No person may place any banners or posters on the Convention platform or in any way obstruct the view of the platform by delegates. Campaign signage is prohibited in the registration area. Signs may not be taped or otherwise fixed to the outside of the building. No campaign signs are allowed on the entry doors or windows.
30. All campaign signs inside will be fixed to the inside walls by blue painter’s tape.

Resolutions

31. Upon registration, Delegates will receive a resolutions packet containing: a page of Instructions, an edited set of resolutions to be voted on in the form of a Resolutions Worksheet, and a Resolutions Bubble Ballot on which to cast their final votes.
32. To become part of the DFL City Platform, a resolution must achieve a 60 percent affirmative vote.
33. In lieu of debate, there shall be an open period of comment and advocacy at the discretion of the Convention Chair, not to exceed 20 minutes total. During which time, delegates are free to line up at a microphone prepared to comment for no more than 45 seconds. No delegate may speak twice until every other interested delegate has had the opportunity to speak once. The Convention Chair may extend this period at their discretion between balloting for School Board.
34. At the close of the period of comment and advocacy, delegates will be instructed to transfer their preferences from their Resolutions Worksheets to the column next to the corresponding resolution number on their Resolutions Bubble Ballots and to deposit only the ballots into the Ballot Boxes. Ballot Boxes will remain open until the Convention adjourns. Ballots will be tallied, and the results made available on the St. Paul City DFL Party website.
